A New Hope Note from the Director:

We have had a lot to celebrate at New Hope in the past few months. As mentioned in our last newsletter, New Hope just celebrated ten years since its official opening in May of 2000. In those ten years there have been thousands of individual and group sessions addressing a number of different issues. Through the course of counseling there are so many moments when one is able to see that God is true to his word when he says in the psalms that He is, "Close to the brokenhearted and saves those who are crushed in spirit."

Another reason to celebrate is the transition of Patti Hawley onto our New Hope staff in a full time role. Patti served at CPC as Care Coordinator and Women's Director since 2001. While being trained in counseling and having many years of therapeutic experience, Patti is a woman who has a deep love for the Lord and for those who are hurting. It truly is a privilege to serve alongside Patti at New Hope.

New Hope Counseling provides a full range of Biblically-based counseling services, including marriage and family counseling, premarital counseling, therapy groups, as well as counseling for youth and individuals. For more information, please feel free to call us at 636-394-7015 or visit our website at

In Christ,

Staff Profile

Patti Hawley received a Masters in Counseling from Covenant Theological Seminary and is a Licensed Professional Counselor with the state of Missouri. She has also worked on staff with Chesterfield Presbyterian Church from 2001 to 2010 as Care Coordinator and Women's Director. Patti is a single mother of two grown daughters. One of Patti's many gifts is walking with hurting single women and those who are in the midst of divorce and its realities. Additionally, she counts it a privilege to journey with people who are dealing with depression, grief, and anxiety, and have suffered the tragedy of emotional, physical and sexual abuse. Her clients include individuals, couples, and families who struggle with brokenness.

The New Hope Youth & Family Scholarship Fund

Each year children, adolescents, and families come to New Hope Counseling Services who are not able to afford the full cost. In the first 5 months of 2010, New Hope has given over \$28,000 in scholarships to these clients.

One source of these scholarship funds is the New Hope Youth & Family Scholarship Fund. Money donated by people from Chesterfield Presbyterian Church and individuals in the community allows children and families to get counseling as they deal with issues like divorce, sexual abuse, domestic violence, eating disorders and thoughts of suicide.

If you are interested in donating to the New Hope Youth & Family Scholarship Fund, make checks payable to New Hope Counseling. All gifts and donations are tax deductible.
